May 20<sup>th</sup>, 2003

**Attendees:** DeChristafaro, Dineen, Donofrio, Fournier, Green, Heidrich, Hill, Lerman, Manning, Richardson, Sabot, Schmecker, Soares, Torres, Willenbring

**General:** Called to order at 7:10 PM, April minutes approved.

**Treasurer's Report:** Balance sheet as of end of March presented (attached). Current assets are down ~\$3k from last year. Flying times are still low (due largely to weather), but are beginning to pick up.

**Maintenance Report:** Things are by and large in good shape. N38483's pilot-side PTT switch appears to be intermittent, it will be looked at. Our radio (nav/com 1) has been repaired and reinstalled in N4384F.

**Safety:** Ron Schmecker presided over a presentation on instrument approaches. This meeting is considered a safety meeting for club currency requirements.

**Membership:** Joe Norfleet has resigned from the club. Former Student member Gary Nalband and new private pilot Tom Mazanowski have both applied for membership and were present at the meeting, they will be interviewed at the conclusion of the meeting.

**Old Business:** Tiedowns are once again an issue; the spots we are presently in will become seasonal again. We are currently exploring our options, we may move to the SW ramp. Milt's line, or Quest's ramp, among other possibilities. We will attempt to remain as close as possible to the main terminal. Young Eagles event- this has been left 'orphaned' by Tony Vallilo's departure from the club. Brian W. has agreed to take over the coordination of the event; Don H. will send out an e-mail soliciting participants for the event.

**New Business:** A vote regarding enforcing currency requirements was taken and passed. Pilots MUST provide required documentation to Jay. The possibility of a targeted direct mailing to area pilots to attempt to solicit new members was discussed and tabled for the time being; Vin S. and Don H. will explore the possibility of getting another write-up in the Waterbury Republican-American. Vin Soares described a presentation by Dick Rutan that he recently attended.

**Adjournment:** 9:15 PM

**Next Meeting:** Tuesday, June 17<sup>th</sup> at 7:00 PM in the main terminal.

Respectfully submitted,

Patrick B. Manning
