

OFC Flying Club Meeting: Location OFC Hangar 20 March 2018

Call to order : 7:00 PM

No Quorum: 5 Board of Directors attended: Robert Ham; Gavin Earl; Bruce Richardson; Andy Robinson; Don Heidrich

8 members: Curt Robinson; Scott Moore, Ed Chromczak; Pat Cooper; Wayne Tremallo; Jim Trainor; Doug Dingman; Leo Mollica;

2 Guests: Allen Shew – retired AF Pilot spent time after the meeting with D Heidrich and A. Robinson on procedures and processes.

Minutes: Motion to accept February minutes moot – no quorum.

Membership Report – details presented by A. Robinson:

- Matt Baker (Safety Officer) returning to Active status as of 1 April.
- Curtis Webb – new member after interviews and no objections from Club ; Al Amato – former member of OFC predecessor club, Six Sigma Flying Club. Both guests are interested in joining, and Membership Review.
- 3 new TW accessions. Wilson Cursino; Alexei Diachenko; Scott Meyer
- A. Robinson will update the new applicant document to accommodate TW reviews (essentially, TW pilots are screened by and paid for by TW), but, TW accessions need to be informed of Club procedures, to include Initial Club Check out by designated OFC CFI.
- A. Robinson will send out the Welcome Letters for new members.
- TW has requested Direct Billing for TW pilots – action OFC Finance.

Treasurer Mike Fazio absent, but provided OFC Finance hand-out update as of 28 Feb; Club is solvent. Will initiate pay-off of 34X.

- Concerns with billing noted in terms of details. Individuals with billings questions were encouraged to contact Finance directly. Question about assistance with billings noted.
- A/C Clubs Software now has a module for direct billing. M Fazio has indicated that a trial with one a/c should be attempted.

Maintenance: Gavin Earl :

- 34X is out of Annual. Looks and flys GREAT!

- 61H annual is scheduled for end of April. Considering other facilities to determine if we get better service. Ordering new seats for 61H since the ones ordered were used by 34X.
- Discussion about cleaning leading edges and windscreens as part of Post Flight. Will provide appropriate cloths and cleaning bottles for each – with suitable cautions about not using incorrect cleaner on windscreens.
- P. Cooper suggested we stock cleaner fluids; cloths and oil in a bin at South Ramp. W. Tremallo suggested that we provide laminated reminders to all to replenish and advise Maintenance when supplies have been used.
- Discussion about engine oil changes and boroscopes on every other oil change. E Chromszak suggested that we boroscope 62Y completely to determine #4 cylinder issues noted by watching CHT and EGT temps fluctuate intermittently. Decision made to have aircraft engine shop look at 62Y (again) to determine if/what is wrong with engine.

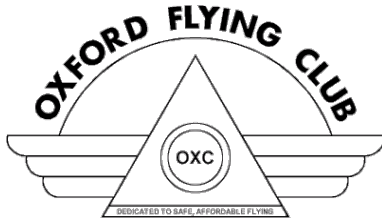

SAFETY Meeting: Wayne Tremallo presented the AOPA VFR Cross Country Challenge and moderated discussions. Good headwork scenarios that brought out good thoughts and suggestions for “what if” scenarios.

Activities: B Richardson – we meant to bring up the need to set an A/C wash in the April / May time frame.

New Business: Our May meeting will move from typical 3rd Tuesday, to the 2nd Wednesday of the month (9 May) to mesh schedules with the Oxford IMC Club meeting. J. Morici will advise the IMC Club members to meet at the OFC Hangar (NT 20) on that date.

Motion to adjourn at 8:30PM
