The CAA team urged the membership to diligently check NOTAMs for painting and mowing notices now that the weather is getting warmer.

The CAA team answered various members' questions, and a positive and lively discussion followed.

Willie provided his contact info to the members - Cell # 860-726-8102

Membership Voting Items

Membership Chair DJ Nicholson reviewed the pending application for membership of Chris Demisch. The application was circulated to the membership prior to the meeting. Chris was present at the meeting and gave a brief introduction and outlined his flying journey so far.

DJ made a motion to approve the application of Chris Demisch, with Jillian Porter seconding the motion. The motion was approved unanimously.

Francis announced that Joe Aspelund, whose membership was terminated at the January 30 meeting, was present to appeal his termination. Joe was given the floor to explain his reasons for nonpayment / non-contact, and appealed to the membership for a second chance, promising a renewed commitment to the club and to aviation.

Several members had questions for Joe, and a spirited debate followed.

Activities Chair Jillian Porter **made a motion** to postpone the vote for reinstatement to the next meeting so that the Board could gather privately to discuss a probationary period. There was no second, and therefore the **motion was withdrawn.**

President Francis Pullaro **made a motion** to reinstate the membership of Joe Aspelund. The **motion was seconded** by Wayne Tremallo. The vote passed, with 8 votes against. The membership was reinstated.

Monthly Reports

Refer to Club officers' monthly reports from Finance, Maintenance, Membership, & Activities (attached).

President Francis Pullaro called for any questions on the monthly reports. Brief discussion followed.

Francis gave a report from the LRP committee in Vice President Sheldon Wermes' absence. He stressed the need to prioritize upgrades to the airplanes so that budgets can be created.

Additional Business

Emeritus Associate Proposal

The proposal, which was originally brought forth in November 2023 by Emeritus Associate Members Edward Chromczak and Burt Stevens to develop uniform language defining the criteria to be used to confer the honorary Emeritus Associate category on long-time Club members was briefly discussed.

An Associate Member will automatically be granted the title of Associate Emeritus when the sum total of the age of the member, and their years of club membership equals or exceeds 80 years.

Emeritus Associate Member Burt Stevens made a motion to adopt the language above. The motion was seconded by Eric Atkins. After a brief discussion period the motion was put to a vote and approved unanimously.

Activities Planning

Activities Chair Jillian Porter outlined some upcoming activities as indicated in her report (attached). Jillian will also be sending out ideas for local fly-outs, which will be less-formal, member-organized trips rather than full club activities with sign ups.

Jillian is also working to improve the club's presence on Social Media.

The plane wash will be Saturday 4/27, with rain dates of 4/28 and 5/4.

Several members also suggested ideas for activities and guest speakers. They will coordinate directly with Jillian to organize these.

Member Accomplishments

President Francis Pullaro took a moment to recognize the responsibility and professionalism of several Club members in dealing with a maintenance issue (alternator failure) while one of the planes was away from OCX in New Jersey.

Francis thanked Maintenance Officer Eric Atkins for his efforts in quickly coordinating a response, and Regular Member Wayne Tremallo for ferrying the stranded pilots / passengers back to Oxford.

No additional business was discussed.

The Meeting was adjourned at 7:51 p.m.

Maintenance Report for March 26, 2024, Monthly Meeting

N735GC is back in service with a new carb and fresh prop balance. Everyone already knows this.

N98819 is on track to come out of annual in time for the 91.411/413 inspection at VIP in HFD on Wednesday morning. This depends on the timely arrival of new steering bungees and door hinge pins.

N8261H is scheduled in for annual with Wright beginning April 21. The deposit has been sent for the new engine and we are awaiting the shipping date.

N228TR is scheduled for VIP at HFD for work on issues with autopilot
